Hogmanay Three Night Break 2023

December 30th

Afternoon Tea & Champagne will be served upon your arrival. In the evening join us and all our guests at a welcoming drinks party to get the New Year celebrations underway. This will be followed by a sumptuous 5-course dinner accompanied by a wonderful selection of wines. Actors will perform in a Murder Mystery evening for your entertainment and a prize will be given for those that solve the mystery.

New Year's Eve

During the day partake in a light lunch & afternoon tea in our library or drawing room and enjoy some light entertainment in the afternoon. Before dinner, meet in the reception rooms for more champagne, followed by dinner accompanied by vintage wines. Our Ceilidh band will strike up and lead us in traditional Scottish and modern dancing through this night of celebration. At midnight we will herald in the New Year with a grand count down, fireworks, fine champagne, and stovies. The Band will then resume for another hour or so ending with Auld Lang Syne. Relax for a while afterwards for some cosy chat and a change of tempo in our reception rooms.

New Year's Day

Perhaps the best appreciated of all Scottish holidays. A day of recovery and relaxation. We will serve breakfast in your bedroom any time you wish, so you may relax and recover from the festivities of the night before. During the afternoon sandwiches & teas will be available whenever you wish and also some mildly taxing games for you to enjoy if you so choose, or just continue to relax and get ready for the grand dinner ahead with champagne to start and accompanied by fine wines.
